Meeting Minutes, 05/04/2016:

The meeting was called to order at 7:04 PM. Robert Vizzo led the Pledge of Allegiance. Thank you Robert. Ron Scott moved to approve the minutes from the April meeting. The motion was passed by the members.

Guest Speakers:

There were no guest speakers.

1. Robert Wagner has been working on the new contract with Ray at the college. Lets all wish him and Anthony the best of luck!
2. NOTAM
 - a. Robert Vizzo has been working with his contact Ken at the Camarillo Airport Tower with how to proceed with having or not having a NOTAM issued due to our proximity to the Airport.

- b. Danny spoke with another representative at the airport about off CIC multirotor flying.
- c. Robert is going to bring Ken out to one of the fields to experience what we do.

3. FAA registration – The board is still recommending that every CIC member be registered.
4. Field Maintenance
 - a. The safety fence on the right side pilot station was repaired.
 - b. We will be doing nothing large scale for now, unless it is for safety reasons.
 - c. We will be nuking the weeds where they are popping up in the tarmac.
 - d. The loose shingles on the clubhouse will be made unloose.
5. Mini IMAC – May 22nd.
 - a. The schedule of events was shared.
 - b. Attached is a copy of the score cards. If you have a maneuver you would like to do other than the ones suggested, please just write it in.
6. Reports
 - a. Treasurer – the room has been paid for till the end of the year.

- b. Safety – Loose parts on planes, please double check and make sure you planes are in good, safe, working order. Be on the look out for snakes, they like to hide in the grass.
- 7. Ron Scott mentioned the Swap Meet at Lake Castaic and that he procured an entire estate sale and would like to move a lot of the inventory he has, including planes, cars, and boats.
- 8. Danny put on a Drone Safety Class for 6th and 7th graders as an outreach program. The CIC board asked to be informed next time so

that we can gather help from the general membership.

- 9. Show and Tell. Mike Milbrett shared a few magazines from Bill Stevens at Stevens Aeromodel called Balsa Builder. This magazine is for sharing of building tips, and will feature at least one model plan each issue. Currently it is quarterly. It is more expensive than typical magazines because there are no advertisements. Please check it out at balsabuilder.com.

The meeting was adjourned at 7:27 PM.

Condors History Lesson:

Thanks to Rich Tejada for researching the dates and details. The two pictures included were hanging on the clubhouse wall.

Photo in Randy Smith's shop, 850 Calle Plano, Unit C (Camarillo). Photo from 1990, meetings started in this location December 1989.

The wooden storage shed was completed October 1990 and donated by Randy Smith's Company.

The smaller metal storage shed was also donated by Randy Smith's Company.

The Shade structure was completed in May 1991.

Approval to fly at the pond was obtained January 1991.

Photo of the completion of the Club House, early 1991. Chuck Colwell was in the photo and he left the area in the spring of 1991.

If you have interesting pictures, send them to Al Hoff, amhoff93010@twc.com We will publish them as space permits. Also, if you want to compose a short article, that would be good also.
