Meeting Minutes, 07/06/2016:

The meeting was called to order at 7:03 PM. Harry Sanchez led the Pledge of Allegiance. Thank you Harry. Randy Bronson moved to approve the minutes from the June meeting. The motion was passed by the members.

Guest Speakers: There were no guest speakers.

1. Robert Wagner discussed the FAA ruling with respect to AMA sanctioned clubs. The 400 foot rule was touched on. Hobbyists still need to register with the FAA, and we must have the AMA and FAA numbers on our aircraft.
2. Another incident of “drones” flying in the area of firefighting aircraft. Please don’t be one of them.
3. Robert has signed the new contract with CSUCI. We are good through December 18 for our Sunday flying. Remember: electric

- aircraft can start at 8:00am and fuel powered at 9:30am.
4. We have 2 new kids that are members. The brothers Benjamin and Jacob. Welcome to the club!
5. We are looking for mentors for the new kids. Randy Bronson will help Benjamin and Jacob, and Tony Martino is going to work with Carson. We will continue to need more mentors as we get new members.
6. Robert Wagner and Anthony Abey have a scheduled meeting with Supervisor Zaragoza and Supervisor Bennett. They will be using the lure of “drone” money, \$85B/year and 100k jobs, to try to spark their interest in helping us find a new tract of land.
7. We are looking for older transmitters as donations for our new, young members to use. Robert has a target of 12 new young pilots by years end.
8. Safety. Nothing to report, just keep up the good work and vigilance!
9. There was a Memorial Fly-In held on the weekend of 7/9 in Santa Maria for one of their former members.
10. There was a Jet Rally at the Sepulveda Basin on 7/16.
11. There was nothing for show and tell this month.

The meeting was called at 7:31PM.
