**Introduction:**

Welcome to the Condors Newsletter. Readers are invited to send ads, articles, photos for inclusion in the next issue. Send them to amhoff93010@twc.com

Al Hoff, Editor

**Meeting Minutes, 01/04/2017:**

The meeting was called to order at 7:02 PM. Benny and Jake led the Pledge of Allegiance. Thank you guys. Mike Prager moved to approve the minutes from the October meeting. The members passed the motion.

**Guest Speakers:**

There were no guest speakers.

1. The new contract with CSUCI is signed and covers our flying through August 19. Concurrently Robert Wagner and Anthony Abey will be working with Celina Zacarias to get an MOU hammered out based on the SLO Flyers memorandum. They will also be working with the water company to move forward with the second possible location near the river.

2. The BOD will be working on a calendar of events to cover the year through our August date.
3. We have a great record going on safety at the field, keep vigilant!
4. There was a long discussion with a couple of visitors with regards to our relationship with the university. Robert Wagner has their names and contact information to use as a springboard to getting in contact with the individuals in the student body and people within the drone program. Robert will also be attempting to contact President Beck directly.
5. John Gonzales wanted to notify the club about a model fest being held at the Commemorative Air Force location on February 26, from 8:30 am until 6 pm.
6. Jake Gomez, son of Camarillo Flying Circus president Vince Gomez has been accepted to Embry Riddle and has applied to California Aeronautical University. Congratulations Jake.
7. Ken Milbrett talked about the AOPA event coming to Camarillo Airport on April 28 and 29. This is a very large full scale general aviation gathering.
8. Rich Hodgson thought it would be a good idea to see about having a booth at the Camarillo Air Show this year.

## Show and Tell:

Ken Milbrett showed off his Flight Models 57" MXSR that he won at the Simi Flyers Christmas party in 2014. It's available from JB Hobbies. It will fly on 4S LiPo and an EFlite Power 46 motor, has King Max servos, a Castle speed control and Futaba radio equipment. Good Luck with the maiden.

Randy Bronson talked about his technique for molding landing gear fairings for Robert Wagner's Laird Turner Golden Age Racer.

Robert Wagner showed off his pilot for the afore mentioned Laird Turner Racer. The pilot was painted by a gentleman in Texas for \$50 to look like Roscoe Turner. He also showed off his new Futaba T18SZ transmitter.

The meeting was adjourned at 7:48PM.

**Renew before the end of February to save \$\$.**

Dues not paid by March 1 are considered delinquent. After March 1, a reinstatement fee equal to half the yearly membership fee will be due and payable prior to renewing membership (Article 3, SECTION 11 of the bylaws).

Membership renewal for 2017 is \$65. New 2017 CIC membership cards have been printed and will be issued upon receipt of \$65, confirmation of 2016 AMA membership and confirmation of your attendance at a safety and field operations briefing as evidenced by a signed "Acceptance of Terms and Conditions" form. I will be accepting dues and handing out cards at the field and at the general meetings. A check is preferred, but we also accept cash (a receipt will be issued for cash).

Note: Some members may owe an installment on their runway fee.

If you have had the orientation briefing and your AMA is up to date (through 2017) you may mail a check to:

Channel Islands Condors  
P. O. Box 1993  
Camarillo CA 93011-1993

If you have not had the safety and field operations briefing, contact Al Hoff and we will schedule a briefing. Remember, no flying until the briefing is complete and you have your AMA card. When you arrive at the field for an orientation, let one of the board members know.

**If you have interesting pictures, send them to Al Hoff, [amhoff93010@twc.com](mailto:amhoff93010@twc.com). We will publish them as space permits. Also, if you want to compose a short article, that would be good also.**

**Mike Milbret completing a loop**

**Ron and Randy Bronson in the moment**
