Introduction:

Welcome to the Condors Newsletter. Readers are invited to send ads, articles, photos for inclusion in the next issue. Send them to amhoff93010@twc.com

Al Hoff, Editor

Meeting Minutes, 03/01/2017:

The meeting was called to order at 7:02 PM. William Brashears led the Pledge of Allegiance. Thank you William. Randy Bronson moved to approve the minutes from the October meeting. The members passed the motion.

Guest Speakers:

There were no guest speakers.

1. The University had their people mow the tall grass from the flying zones.
2. There is a lot of trash and debris that we need to get rid of, so we will be getting a dumpster to haul it away. We will also be working on weed removal from the paved areas for safety purposes.
3. We have a great record going on for safety at the field. Keep vigilant!
4. We have about ¾ of last years members renewed for this year.

Show and Tell:

Robert Vizzo brought in his new helicopter that he won at the Las Vegas Fun Fly the previous week. It's the just released Align Trex 700 Dominator X. It came fully ready to fly with a Spektrum DX8 radio and a set of batteries, worth around \$2200. It was flown at the event by one of Align's team pilots. Congratulations Robert!

Darryl Bergstrom gave a lengthy discussion about his laser cutter that he's had trials and tribulations with, but has started cutting and building a Howard "Mike" from his own designs. He brought in a wing panel that was extremely rigid and light using mostly light ply, with balsa sheeting and carbon fiber reinforcements. Looking great Darryl, good luck with the rest of the build!

Pizza:

Members enjoying the Pizza

Raffle:

This month's raffle prize was a Bind-N-Fly Eflite Convergence. It is capable of taking off and landing vertically, and transitioning to forward flight like the Osprey. It was worth \$250. The lucky winner this month was Gene Norman. Congratulations!

Gene Norman

The meeting was adjourned at 8:05 PM.

If you have interesting pictures, send them to Al Hoff, amhoff93010@twc.com We will publish them as space permits. Also, if you want to compose a short article, that would be good also.
